**Submission Guideline**

Articles can be submitted electronically from the website. Registration and login are required to submit article online, this process is a simple self-explanatory process. This is an online manuscript processing system which allows submission of articles with tracking of its progress till proof stage. If the article is submitted electronically, there is no need to send a hard copy.

**Submission Preparation Checklist**

As part of the submission process, authors are required to check off their submission's compliance with all of the following items, and submissions may be returned to authors that do not adhere to these guidelines.

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in Microsoft Word 97-2003 document format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 12-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

**Author Guidelines**

Submit only original research paper, which should not be submitted to any other journal for publication.

Plagiarism policy: Authors may use www.duplichecker.com or any other software or website to check and avoid plagiarism.
