Centre for Social Work, PU, and
convener of the conference, said the conference had 222 registrations from across the country and abroad, including Srinagar. Assam, Himachal

Special Take:

The Conference organizers made an effort to put into practice the main theme of the conference of creating a new world, leaving no one behind, by creating conference kits with sustainable materials and sourcing them from various sections of the society. Handmade cloth bags were sourced from an NGO where underprivileged women stich these bags and are able to earn their livelihood while creating sustainable alternatives. The pencils used in conference kits were especially sourced from Gujarat. These pencils are made from waste newspapers and are another example of sustainable options in today's world. The open hand memento presented to dignitaries was sourced from the shop which houses products made by inmates of the Model Jail, Burail, Chandigarh. Besides these, the souvenir given to academic session chairs, was prepared out of a photograph of Gandhi Bhawan, Panjab University, clicked by Dr. Gaurav Gaur. It is pertinent to mention that the same Photograph was also presented to the honourable Vice President of India Sh. Venkaiah Naidu, as a memento during the PU Convocation held on 6th May 2022.
